(SR) 5/North Roosevelt Boulevard Reconstruction Project

How to Find Your Way Around!

Welcome to Key West! The information contained here will help you get around Key West during its 2½ year major roadway project on North Roosevelt Boulevard.

The large map on the inside pages will show you locations of many of our tourist attractions, along with the major routes in town.

Since North Roosevelt Boulevard is home to our major shopping districts, you will find on the front and back pages a list of the businesses with their addresses in the construction area, and a smaller map showing you how best to get to the section of North Roosevelt that has the business you're looking for.

We hope this will help you enjoy your time in paradise!

Listing color corresponds to Business Zones A (Blue) or B (Red) on small map below.
North Roosevelt Blvd. abbreviated to NRB

Rev. 9-17-2012
